

The Premier Lodge Award Program

As we move into the second year of the Premier Lodge Award program, there are changes to some of the criteria necessary due to changes in associated programs. There will still be 5 mandatory criteria and 10 alternate criteria. The changes are represented in bold print below.

The mandatory criteria are:

- Increase in active membership over prior fiscal year
- Increase in net assets over prior fiscal year
- Increase in Endowment Fund donations over prior fiscal year

OR

Lodge per capita contributions to the Endowment Fund equal to or exceeding fraternity-wide per capita

- Representation at International Convention, Association Annual Convention and Association Mid-Year Conference (2 out of 3)
- Submission of Moose of the Year nomination form by July 1

The alternate criteria are:

- Four completed Community Service reports submitted by the quarterly deadlines
- Two completed Family Activities reports submitted by semi-annual deadlines

- 5 mandatory criteria met + 7 alternate criteria met = Silver Award
- 5 mandatory criteria met + 9 alternate criteria met = Gold Award
- 5 mandatory criteria met + 10 alternate criteria met = Platinum Award
