

The Importance of the Sunshine Program

The child's name and sponsoring Chapter are not important but I wanted to share how much a simple piece of mail can mean to our children and seniors. Gifts are nice, but not necessary – just a note to say, “I'm thinking of you” can change a bad day to good.

Dear Women of the Moose Chapter,

Thank you for the card and the gift that came along with it! I was surprised to see that I had mail, because I normally do not receive letters very often. My day was not as good as I would have liked it to be, but it changed as soon as I looked at the Women of the Moose envelope. I am surely excited to become a Sunshine Child and I will look forward to keeping in contact with you all. Thank you for the gifts and for changing my day around.

*Sincerely,
A.S.*
