ROLL CALL OF LODGES	Vice President, Jim Viverito
---------------------	------------------------------

Each member in attendance will be counted only for the Lodge for which that member is registered for at this convention. If representing multiple Lodges, the member must be registered for each Lodge in order to be counted. Subsequent roll calls are at the discretion of the Association President.

The Lodge count will consist of the President, Administrator, and all members in attendance. The President and Administrator must be the elected person for that position. Alternates will be counted in the Lodge total. All answering roll call should stand when their lodge is called.

Roll Call Conducted by District Presidents
